

Neat As A Pin – MUST BE SOLD THIS WEEK!!

What an opportunity, strata titled one bedroom apartment with carport. Located in a very friendly complex with handy little shop, hairdresser, medical services, pool room, swimming pool and recreation centre. The duplex is close to the amenities with good sized bedroom with built-in, separate kitchen and living area and carport at the rear. Body corporate charges are very realistic and possibly the cheapest in the area. Lovely position in Old Tewantin, bus stop at your door step and walking distance to Noosa River and Tewantin CBD

Sustainability declaration is available from our office.
