

7 MINUTES FROM THE BEACH

A private haven close to everything, situated at the end of a no through road yet you are very close to beach, shopping and schools.

This solid home offers open plan living and dining, master bedroom with ensuite and family room.

To the current owners credit a large part of the property has been retained in its beautiful natural state which consists of native bushland through which a network of low impact pathways have been created. If you are looking for privacy but still want to be close to all amenities then this is the property to inspect, the owners are committed elsewhere and are ready to sell.
