

Peaceful Living, Classy Street in Old Tewantin

Located in highly sought after "Old Tewantin" this stunning home is set on an elevated north facing corner block and shares this quiet street with other house proud owners.

This modern, beautifully presented home will impress any buyer who appreciates quality. The wide entrance leads you past the media room to unveil a large dining space and kitchen. This area can accommodate a large dining table and boasts a renovated island bench kitchen with servery, an induction cooktop and large walk-in pantry.

Relax in the roomy living area after a hard days coastal living. With the media room located at the front of the house this area can always be your quiet retreat, bliss!

The large covered alfresco entertaining area is adjacent to the dining room and can be accessed through sliding doors from there as well as the media and living room. A great place for sharing a BBQ and your favourite beverage with friends and family.

All the bedrooms are of very generous proportions with the master be
