

COMPACT & CHIC – GOT YOUR ATTENTION!!!!

From the street view of this property all you see is a boring timber fence, but wait, when you enter the home it is so very chic. From the separate entry area (private so you can't see into the home) around the corner is the living & dining area, lots of windows with aspect out to the lush colourful gardens and yard. One wall separates this space, which behind is informal dining and "Wow" the amazing relevantly new kitchen, a movable breakfast bar to have where ever suits you when preparing meals. Pantry cupboards either side of the double fridge freezer space, ample bench space, trendy subway tile splashbacks (easy care), abundance of cupboards & drawers (with the overhead cupboards up to the ceiling, no dust trap!). Gas cook top with large oven, microwave space, Bosch dishwasher and the list goes on. While preparing meals or washing up you overlook the patio, so while entertaining you are still connected to your guests. From the informal dining/kitchen sliding door opens out
