This is one of Noosa's most prestigious waterfront homes with expansive Noosa Waters canal views. A Paul Clout design guarantees luxury. With pavilion style layout, the home boasts a gourmet kitchen and open plan living on the lower level and main bedroom on the upper level all sharing views of the canal. Access to the canal is gained via the private jetty. The central pool with shady gazebo, flows under an internal bridge through the walkway joining front and rear pavilions. A upper level glass feature walkway will certainly be a talking point. The remaining ample sized bedrooms are located on both upper and lower levels and have substantial storage. The property benefits from ducted air conditioning throughout, although the ample canal breezes guarantee this will rarely be needed
