

ELEVATED BLOCK WITH VIEWS

In a cul-de-sac, backing onto natural bush on two boundaries, sits this house, perfect for a peaceful mind.

Surrounded by classy homes, and with a prestigious address, build your dream home and enjoy the summer breeze.

Located in Rafter Country, this is a good investment for an elevated plot so close to the charming Eumundi Markets.

This acreage block is wonderful, with views to those fairytale Far-Away Trees.
