

Gabriel Poole Design

The wide breezeway entrance leads to a large north east facing deck and divides the main living area from the guest bedroom. The outlook is to trees and gardens which creates a private and peaceful setting. From the deck you can sit and observe the abundance of bird life. The pool is on the same level as the house.

There are timber floors throughout. The open plan kitchen, dining, living area opens to the deck but can be closed to use the fireplace in the cooler months. There is an office and a small third bedroom. The main bathroom is able to be an ensuite or family bathroom. The hot water is solar with an electric booster. Tucked away, out of sight past the pool is a garden shed. There is also additional storage space under the house.

Positioned just off Lenehans Lane there is easy access to all that Noosa has to offer.

Make sure you view the online tour and floor plan.
