

Is This Doonan's Best Opportunity ?

- * This high set home offers four bedrooms, or three and a study.
- * The master has an ensuite and a walk in robe;
- * Open plan living, kitchen and dining opening to the verandah, overlooking the pool area.
- * The underneath is used as car parking and has a large concrete slab, and offers enough head height to build.

This home is currently tenanted and is rented at \$360 per week. In a desirable location with close proximity to Noosa, this could well be a sound investment.
