

### Owners have their new home already

- \* Location is key - short walk to school, shops, transport
- \* Light and Bright with high living room ceilings
- \* Master suite and living areas opening onto rear outdoor area
- \* Private tropical pool

This lovely home is set up high in a quiet street overlooking Alex Loveday Park.

Upon entry you will notice high ceilings, loads of natural light and a homely, comfortable feel.

The 2-pac kitchen is the central hub of the home complete with bay window, excess cupboard space, dishwasher and breakfast bar.

Both living areas are located on either side of the kitchen and open onto the covered outdoor area and view the tropical pool.

The Master Suite also has external access to the rear patio and its own walkin robe and ensuite.

Located away from the remainder of the home are a further 2 bedrooms (both of a good size) with built ins, the bathroom, toilet, laundry and garage. The double garage has been finished with the walls lined, floors covered and external excess making it flexible in its use
