

The New Kingfisher Bend!

Welcome to Kingfisher Bend, also known as 745 Ringtail Creek Road Pomona. Having just undergone a recent renovation and beautiful freshen up this property is now a must see and yours for the taking!

This property lies between a border of many kilometres of rainforest soon to be deemed as national park and a southern border of six mile creek that is a permanent and valuable water resource uniquely given to the owners that no other property in the vicinity has access too. The Rainforest on the property is home to many rare and beautiful birds like the Regent and Satin Bower birds, King Parrots, Dollar Birds, colourful finches and many more. Along with the privately owned rainforest which boasts many luxurious trees like the Queensland Maple, Quandong, orchids and palms just to name a few are also many fruit and nut trees; including all citrus, olives, coffee, lychee, mango, banana, pecan and macadamia just to name a few.

A large dam provides ample drinking water for cattle and horses
